From (Name) Sri. B. Suryanarayana Rao, M.A.,
(Designation) Commissioner, Udipi Municipality.

To The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras ~~Department~~.

Through The Chairman, Municipal Council, Udipi.

Sir,

Udipi is a perennial pilgrim centre. Every year, the Municipal Council has to spend a considerable amount for making temporary sanitary arrangements during annual festivals. Contributions received from the temple authorities apart, the Council has to meet from its own resources a moiety of the cost of the sanitary arrangements. In the interest of the health of the pilgrims who attend the festivals, as well as of the permanent residents of the festival area, it is highly desirable that permanent arrangements should be made. The surroundings of the temple square which are crowded and congested need to be improved upon early. This is the recommendation of the Director of Town Planning too. All these substantial improvements will be a heavy burden on the already poor resources of the Municipality. I therefore proposed to the Council to consider the question

P.T.O.

question
of levying pilgrim tax and tolls on non-motor vehicles under Sections 117 and 118 of the Madras Public Health Act, 1939.

The Council referred the question to the Finance Committee, which met on 7-6-39. After mature consideration the Committee recommended to the Council the proposal to levy tolls on non-motor vehicles subject to the condition that the--- licensed vehicles kept within the Municipality should be exempted. The question of levying pilgrim tax did not, however, meet with the approval of the Finance Committee. The proposal to levy tolls as recommended by the Finance Committee was considered by the Council in its meeting held on 22-6-1939 and it was accepted--please see council resolution No.39 dated 22-6-1939-copy enclosed. I am therefore to request that the Government may be pleased to sanction the levy by this Council of the tolls under Section 118 of the Madras Public Health Act, 1939 for a period of three months from 1st December to the end of February, every----- financial year.

Your obedient servant,

Commissioner.

Through The Director of Public Health, Madras,
The Collector of South Kanara, and
The Chairman, Municipality Council, Udipi.

Sir,

Udipi is a perennial pilgrim centre. Every year a large number of pilgrims from all parts of the Madras Presidency, Karnataka Province and of Mysore are coming to Udipi on pilgrimage. It is, therefore, highly desirable that the Municipal area should be declared as a festival centre with a view to enable the Municipality to levy tolls under Section 116 of the Public Health Act 1939 for financing the scheme of making permanent sanitary arrangements and thus make provision for the amenities of the pilgrims. I am appending hereto ~~this~~ proposals with a draft notification for declaring the Municipal area as the festival centre. I request that the Government may be pleased to take early steps under Section 116 of the Madras Public Health Act, 1939. I further request that the Government may also be pleased to pass orders on my reference R.O.C.No.3669-1A/39 dated 14-7-1939 permitting the
